I talked to Pam about the schedule. Feel free to edit to make the agenda more palatable or more easily to understand.

Got it – Can you try to pull together an agenda with just some bullets and send to me today? Just put down some general topics like background, status update on calls with CRW, and next steps. Please put any questions you think we should have Jen answer as part of this, and I will work with you to get it tightened up.

Thanks.

I got lucky. I found a date and time that just about everyone can make. Mark Pollins, James Zimny, Alex from DOJ, and Karen can make the call, along with DEP. I have not got confirmation from Jen Fields yet. Andria Bain told me that Jen was available at that time.
